## What You'll Learn

Through the exercises in this book, you'll develop the following sight-reading skills:

- Note recognition
- Rhythm reading
- Interval recognition
- Articulation
- Dynamics
- Fingering

You'll also learn how to apply these skills to different musical styles, from classical to folk to jazz. By the end of the book, you'll be able to sight-read music with confidence and accuracy.

### **Why Choose the Large Print Version?**

Learning to sight-read can be challenging enough without having to strain your eyes to read small print. That's why the large print version of "300 Progressive Sight Reading Exercises For Viola" is such a valuable resource. The large, easy-to-read print makes it easier to focus on the music, so you can learn faster and with less frustration.

### **What's Included in the Book?**

In addition to the 300 progressive exercises, the book also includes:

- A comprehensive to sight-reading
- Tips and tricks for improving your sight-reading skills

- A glossary of musical terms
- Answer key for all exercises

## **Who is This Book For?**

This book is ideal for any viola player who wants to improve their sight-reading skills, regardless of their playing level. Whether you're a beginner who is just starting to learn to read music, or an experienced player who wants to take your sight-reading to the next level, this book has something for you.

## **Testimonials**

"This book is a lifesaver! I've struggled with sight-reading for years, but after working through these exercises, I've seen a dramatic improvement in my skills." - Sarah, viola player

"I highly recommend this book to any viola player who wants to improve their sight-reading. The exercises are well-crafted and progressive, and the large print makes it easy to read." - John, viola teacher
