The book is divided into four parts. The first part, "The European Union in Historical Perspective," includes essays that examine the origins and development of the EU. The second part, "The European Union and the Global Economy," includes essays that analyze the EU's role in the global

economy. The third part, "The Future of the European Union," includes essays that speculate on the future of the EU. The fourth part, "Personal Reflections," includes essays that reflect on Loukas's life and work.

The essays in this book are written by leading scholars and policymakers from around the world. They provide a comprehensive overview of Loukas's work and its impact on the field of European integration. This book is a must-read for anyone interested in the history, present, and future of the EU.

About the Author

Loukas Tsoukalis is a Greek economist and politician who has served as a member of the European Parliament since 2014. He is also a professor at the National and Kapodistrian University of Athens. Tsoukalis is a leading expert on European integration and has written extensively on the subject.

Tsoukalis was born in Athens, Greece, in 1952. He studied economics at the University of Athens and the London School of Economics. After graduating, he worked as a researcher at the University of Athens and the European University Institute. In 1981, he joined the faculty of the National and Kapodistrian University of Athens, where he is now a professor of economics.

Tsoukalis has held a number of positions in the Greek government. He was Minister of Foreign Affairs from 2004 to 2006 and Minister of Finance from 2009 to 2011. He was also a member of the European Parliament from 2009 to 2014.

Tsoukalis is a prolific writer and has published numerous books and articles on European integration. His work has been translated into more than 20 languages. He is also a regular commentator on European affairs in the media.
