About the Author

Lindsey Kelk is a world-renowned fish expert and the author of several books on fish care. She has dedicated her life to helping fish owners keep their fish healthy and happy.

Lindsey is a graduate of the University of California, Davis, where she studied fish biology. She has also worked as a fish veterinarian and a fish

researcher.

Lindsey is passionate about sharing her knowledge of fish care with others. She is a frequent speaker at fish conferences and events, and she writes articles for several fish magazines.

Lindsey lives in San Francisco with her husband and two cats.

Praise for Fish Diseases

"Fish Diseases is the most comprehensive and up-to-date guide to fish diseases that I have ever read. It is an essential resource for any fish owner." - Dr. Thomas B. Waltzek, DVM, DACVP

"Lindsey Kelk has written a masterpiece. Fish Diseases is a must-have for any fish owner who wants to keep their fish healthy and thriving." - Jack Wattley, world-renowned fish breeder

"Fish Diseases is the best fish care book I have ever read. It is packed with valuable information and stunning visuals. I highly recommend this book to any fish owner." - Steve Sumpter, fish hobbyist and author
