**Here and Now and Then** is a powerful and moving novel that explores the complexities of love, loss, and redemption. Spanning decades and continents, the story follows the lives of three unforgettable characters as they navigate the challenges of life and find their way back to each other.

**Set against the backdrop of World War II and the Cold War**, the novel tells the story of three friends who are separated by war and reunited by

fate. Each character has their own unique story to tell, and their experiences provide a rich and nuanced exploration of the human condition.

**The novel opens in 1939**, as the world is on the brink of war. **Anna**, a young woman from Poland, is forced to flee her home and seek refuge in England. There, she meets **Peter**, a British soldier, and they fall deeply in love. But their happiness is short-lived, as Peter is soon sent to fight in the war.

**Meanwhile, in the United States**, **John**, a young man from a wealthy family, decides to join the war effort. He is sent to Europe, where he meets Anna and Peter. The three of them become close friends, and they share their hopes and dreams for the future.

**But the war takes its toll on all of them.** Peter is killed in action, and John is seriously injured. Anna is left alone and heartbroken. She returns to Poland, where she tries to rebuild her life. But she never forgets Peter, and she always hopes that one day they will be reunited.

**Years later**, the war is over and the Cold War has begun. John has returned to the United States, where he has become a successful businessman. He has never forgotten Anna, and he has always hoped that they would find each other again.

**One day**, John receives a letter from Anna. She has found out that he is alive, and she wants to see him. John is overjoyed, and he immediately travels to Poland to meet her.

**The two of them are reunited at last.** They are both older now, but they still love each other deeply. They spend the rest of their lives together, happy to have found each other again after all these years.
