Hi Am Dog Please Don Let Me Dead is a heartwarming and humorous memoir about a dog named Buster and his journey to find a loving home. Buster is a small, brown dog with big, brown eyes and a heart of gold. He was born in a shelter and spent the first few years of his life there, waiting for someone to adopt him.

One day, a woman named Susan came to the shelter looking for a dog to adopt. She saw Buster and immediately fell in love with him. Buster was so happy to finally have a home and a family to love him. Susan and Buster quickly became best friends and they loved spending time together. They went on walks, played fetch, and cuddled on the couch.

But Buster's happiness was short-lived. One day, Susan was diagnosed with cancer. She fought hard against the disease, but she eventually lost her battle. Buster was heartbroken. He didn't understand why Susan was gone and he missed her terribly.

Buster went to live with Susan's sister, but he was never the same. He was depressed and withdrawn, and he didn't seem to have any joy in life. Susan's sister tried her best to help Buster, but she knew that he needed more than she could give him.

One day, Susan's sister saw a flyer for a local animal shelter that was looking for volunteers. She decided to take Buster to the shelter to see if he could help out. Buster was immediately drawn to the other dogs at the shelter and he started to come out of his shell. He loved playing with the other dogs and he even made some new friends.

The staff at the shelter were so impressed with Buster that they offered him a job as a therapy dog. Buster was a natural at his new job. He loved visiting with the children and the elderly, and he always brought a smile to their faces. Buster's new job gave him a new purpose in life and he was finally able to find happiness again.

Hi Am Dog Please Don Let Me Dead is a heartwarming and inspiring story about a dog who overcame adversity to find happiness. Buster's story is a reminder that even in the darkest of times, there is always hope. This book is a must-read for all dog lovers and anyone who has ever loved and lost a pet.
