

Historically Accurate And Entertaining Owners Manual For The Founding Documents

The Founding Documents of the United States are some of the most important documents in American history. They established the framework for our government and have been used as a model for other countries around the world. But what do these documents actually say? And how can we understand their meaning in today's world?

This book provides a historically accurate and entertaining owners manual for the Founding Documents. It explains the meaning of each document, puts it in context, and provides insights into how it has been used throughout history.
