Peace is not just the absence of war. It is a positive state of well-being, security, and justice. Sustainable peacebuilding is the process of creating and maintaining peace in the long term. It is a complex and challenging task, but it is essential for creating a better future for all.

Making Peace Last is a comprehensive guide to sustainable peacebuilding. It offers a range of tools and techniques to help you build lasting peace in your community or region. The book is divided into three parts:

1. **Part 1: Understanding Peace**
2. **Part 2: Building Peace**
3. **Part 3: Sustaining Peace**

Part 1 provides an overview of the concept of peace and the challenges of peacebuilding. Part 2 offers a range of tools and techniques for building peace, including conflict resolution, peace negotiation, and peace education. Part 3 discusses the importance of sustaining peace and provides strategies for doing so.

Making Peace Last is an essential resource for anyone who wants to learn more about peacebuilding or who is working to build peace in their community or region. The book is written in a clear and concise style, and it is packed with practical advice and case studies.
