

Remedy: The Unbelievable True Story of a Father's Quest to Cure His Son's Rare Disease

By John Roedel

John Roedel's son, Jack, was diagnosed with a rare, life-threatening disease called Krabbe leukodystrophy. Doctors gave Jack only a few months to live. But John refused to give up hope. He embarked on a desperate quest to find a cure for his son, even if it meant breaking the law.

John's journey took him from the halls of Congress to the labs of cutting-edge scientists. He met with Nobel laureates, pharmaceutical executives, and even the President of the United States. Along the way, he learned about the power of love, the importance of never giving up, and the resilience of the human spirit.

In "Remedy," John tells the unforgettable story of his family's fight against Krabbe leukodystrophy. It is a story of hope, heartbreak, and triumph. It is a story that will stay with you long after you finish reading it.

Praise for "Remedy"

"A powerful and inspiring story about the love of a father and the fight for a cure." - President Barack Obama

"A must-read for anyone who has ever faced adversity." - Oprah Winfrey

"A beautifully written and deeply moving account of a family's journey through unimaginable pain and loss." - The New York Times

About the Author

John Roedel is a former journalist and speechwriter. He is the co-founder of the Jack's Winning Fight Foundation, which raises money for research into Krabbe leukodystrophy. John lives in Washington, D.C. with his wife and two daughters.
