The book is divided into four parts, each of which explores a different aspect of the horse-human connection. The first part, "The Horse as Mirror," looks at how horses can reflect our own strengths and

weaknesses. The second part, "The Horse as Healer," explores the therapeutic power of horses. The third part, "The Horse as Teacher," examines the lessons that horses can teach us about ourselves and the world around us. The fourth part, "The Horse as Guide," looks at how horses can help us to find our way on our life's journey.

The Soul of Horse Blogged is a beautifully written and inspiring book that will appeal to anyone who loves horses or is interested in self-discovery and healing. Dowell's personal stories and insights are both moving and thought-provoking, and the book is filled with gorgeous photography that captures the beauty and spirit of horses.

If you're looking for a book that will inspire you, uplift you, and help you to connect more deeply with yourself and the world around you, then The Soul of Horse Blogged is the perfect read for you.
