Immerse yourself in the rich tapestry of ancient Rome with the With Parallel Latin Text Oxford World Classics series. This unparalleled collection brings together essential works of Roman literature, history, and philosophy in their original Latin alongside their authoritative English translations.

This extraordinary series empowers you to:

- Uncover the true essence of Roman literature, unfiltered by the interpretations of others.
- Gain a deeper understanding of Roman history and culture by reading the accounts of those who lived it.
- Grapple with the profound philosophical ideas that shaped the Roman worldview.
- Enhance your Latin language skills by studying the original texts alongside their English counterparts.

## **A Treasure Trove of Roman Literature**

With over 100 volumes to choose from, the With Parallel Latin Text Oxford World Classics series offers an unparalleled range of Roman literary masterpieces. From the epic poetry of Virgil to the comedies of Plautus,

from the philosophical treatises of Cicero to the historical accounts of Tacitus, you'll find everything you need to explore the literary genius of ancient Rome.

### **A Window into Roman History**

The series also includes a comprehensive selection of historical texts that provide invaluable insights into the rise and fall of the Roman Empire. From Caesar's firsthand account of the Gallic Wars to Suetonius's scandalous biographies of the emperors, these works offer a captivating glimpse into the turbulent world of ancient Rome.

### **Unveiling the Depths of Roman Philosophy**

No study of ancient Rome would be complete without exploring its philosophical foundations. The With Parallel Latin Text Oxford World Classics series includes a range of philosophical works that will challenge your thinking and expand your understanding of the human condition. From the Stoicism of Seneca to the Epicureanism of Lucretius, these texts offer profound insights into the ways that Romans grappled with the big questions of life.

### **Enrich Your Latin Language Skills**

For those who wish to deepen their knowledge of the Latin language, the With Parallel Latin Text Oxford World Classics series is an invaluable resource. By studying the original texts alongside their English translations, you'll not only enhance your comprehension but also develop a deeper appreciation for the nuances and subtleties of the Latin language.

### **A Legacy of Scholarship**

The Oxford World Classics series has a long and distinguished history of producing high-quality editions of classical works. Each volume in the With Parallel Latin Text Oxford World Classics series is carefully edited and annotated by leading scholars, ensuring that you're getting the most accurate and up-to-date information available.
