

Unlocking Learning Success for Struggling Students: Essentials of Intensive Intervention

The Guilford On Intensive Instruction

Struggling students face unique challenges that require specialized support. Essentials of Intensive Intervention: The Guilford On Intensive Instruction provides educators with a comprehensive guide to the principles and practices of intensive intervention, empowering them to transform the learning experiences of these students.

What is Intensive Intervention?

Intensive intervention is a targeted and systematic approach to providing additional support to students who are struggling significantly in one or more academic areas. It involves individualized instruction that is delivered in small groups or one-on-one settings, with a focus on developing fundamental skills and addressing underlying learning difficulties.
