Delve into the Interplay between Cities, States, and Globalization

In an era of rapid urbanization, the traditional boundaries of statehood are blurring. Cities are emerging as powerful actors on the global stage, challenging the dominance of nation-states and reshaping the very nature of governance. 'Urban Governance and the Rescaling of Statehood' provides a comprehensive analysis of this transformative process, offering

a fresh perspective on the evolving relationships between cities, states, and global actors.

Key Features

- **In-depth analysis of the rescaling of statehood in the urban context**
- **Comparative case studies from cities around the world**
- **Exploration of the impact of globalization on urban governance**
- **Insights into the role of urban policy and urban development in state transformation**
- **A groundbreaking contribution to the field of urban studies and comparative urbanism**

Table of Contents

1. : The Rescaling of Statehood in the Urban Age
2. Cities as Emerging Global Actors
3. The Nation-State in the Shadow of Cities
4. Globalization and the Fragmentation of Sovereignty
5. Urban Policy and the Restructuring of State-City Relations
6. Urban Development and the Transformation of Statehood
7. Comparative Case Studies: London, New York, Tokyo, São Paulo
8. : The Future of Statehood in an Urbanized World

Target Audience

This book is essential reading for:

- Urban scholars and researchers
- Policymakers and urban planners
- Students of urban studies and comparative urbanism
- Anyone interested in the future of cities and the changing nature of statehood

Reviews

"A timely and thought-provoking analysis of the rescaling of statehood in the face of rapid urbanization. This book offers a valuable contribution to our understanding of the changing relationships between cities, states, and global actors."

Dr. Saskia Sassen, Professor of Sociology, Columbia University

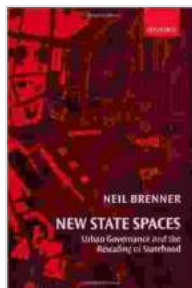

"A must-read for anyone interested in the future of cities and the evolving role of the state. This book provides a comprehensive overview of the key issues and challenges facing urban governance in the 21st century."

Professor Neil Brenner, Professor of Urban Theory and Urban Planning, New York University
