In *When Death Takes My Panties*, I share our story—the laughter, the tears, and the unexpected moments of joy that we found along the way. I write about the day Brian shaved his head and I gave him a mohawk, the time he dressed up as a giant chicken for Halloween, and the night he sang "I Will Survive" at the top of his lungs in the hospital.

I also write about the hard stuff—the pain of losing Brian, the loneliness, and the grief that threatened to consume me. But even in the darkest of times, I found that laughter was always there, waiting to lift me up.

When Death Takes My Panties is a story about love, loss, and the power of laughter to heal. It's a reminder that even in the face of death, we can find joy and meaning in life.

If you're grieving the loss of a loved one, or if you're simply looking for a reminder to live life to the fullest, I hope you'll read When Death Takes My Panties. It's a story that will make you laugh, cry, and appreciate the preciousness of life.
