- Legacy of the Golden Age

The Golden Age of Comics was a period of time from the late 1930s to the early 1950s when comic books were at their peak of popularity. During this time, some of the most iconic superheroes of all time were created, including Superman, Batman, and Wonder Woman.

Wonder Woman was created in 1941 by William Moulton Marston and Harry G. Peter. Marston was a psychologist who was interested in creating a superhero who would be a positive role model for women and girls. Wonder Woman was the first female superhero to have her own comic book, and she quickly became one of the most popular characters in the world.

The Golden Age of Comics

The Golden Age of Comics was a time of great creativity and innovation in the comic book industry. New genres and characters were being created all the time, and the stories were often more complex and sophisticated than those in today's comics.

One of the most important things that happened during the Golden Age of Comics was the creation of the superhero team. The Justice Society of

America was the first superhero team, and it was quickly followed by the Justice League of America. These teams brought together some of the most popular superheroes in the world, and they helped to create a sense of community and excitement among comic book fans.

Wonder Woman's Early Adventures

Wonder Woman's early adventures were set during World War II. She fought against the Nazis and other villains, and she quickly became a symbol of hope and strength for the American people.

In her early adventures, Wonder Woman was often accompanied by her sidekick, Etta Candy. Etta was a strong and independent woman who was always there to help Wonder Woman. Together, they fought for justice and equality.

Wonder Woman and the Justice League of America

In 1960, Wonder Woman joined the Justice League of America. The Justice League was a team of superheroes who fought against evil and injustice. Wonder Woman was a valuable member of the team, and she quickly became one of the most popular characters in the Justice League.

As a member of the Justice League, Wonder Woman fought against a variety of villains, including Lex Luthor, the Joker, and Darkseid. She also fought against alien invaders and other threats to the Earth.

Wonder Woman's Later Adventures

In the 1970s and 1980s, Wonder Woman's adventures became more complex and sophisticated. She began to explore her own identity and her

place in the world. She also began to fight against social injustice and other important issues.

In 1986, Wonder Woman was given a new origin story in the graphic novel *Crisis on Infinite Earths*. This new origin story made Wonder Woman more powerful and independent. It also made her a more complex and interesting character.

Legacy of the Golden Age

The Golden Age of Comics was a time of great creativity and innovation in the comic book industry. The stories and characters that were created during this time have had a lasting impact on the world of comics and popular culture.

Wonder Woman is one of the most iconic superheroes of all time. She is a strong, independent woman who fights for justice and equality. She is a role model for women and girls around the world. *Wonder Woman 1942-1986: A Journey Through the Golden Age of Comics* is a beautiful collection of classic comics that will entertain and inspire readers of all ages.
